## **MASTER CLASSES**

**with guest performers in the  
Manassas Symphony Orchestra 2018-2019 Concert Series**

Each master class is an opportunity for 4-5 students to perform a piece for our guest performer, who will then give feedback and insight into their playing and the work performed. It is a great experience for both the one receiving the critique and those observing in the audience to learn to achieve a greater musical understanding and awareness.
